“Many memories come flooding in about Anthony. Most of which when I was in school and how Anthony was always the good guy, older by a couple years but he didn't have a mean bone in him. Always polite, friendly and a gentleman. Praying for Margaret, Logan and the entire family.

“ Anthony has been my friend and co-worker for 29 years. But he has been more and meant more. He has been an example of integrity and respectfulness of what a man should be in the work force and in the home. I know what his family has meant to him because he has told me plenty of times. I can't say enough about this man other than that I'll miss my friend. His friend Dwayne Stott.
