“ You have left behind so many wonderful memories for your family and friends to remember you by. You extended love to everyone in your life, and had a heart full of kindness and compassion. No matter what was going on, your smile always shined through. I will forever cherish our "marathon" telephone chats. I can't hear Rod Stewart without thinking of you, I loved that he was one of your favorite singers.

You will forever be missed. Danielle and I love you so very much.

“ When Kathy and Scott married 31 years ago, we became family and I've always enjoyed the family dinners, birthday parties and vacations we spent together. Toni was always a sweet lady and a wonderful mother-in-law to my sister and Kathy loved her dearly. Rest in peace Nanny Toni, you will be missed.

“ I am thinking of all of you today. You have mine & my family's Deepest Sympathy for the loss of your beloved Wife, Mom, Grandma, Aunt & Sister. Upon hearing this news. We felt it again, the suffering that one goes through with this terrible disease. Toni was Gary's sweetest sister, as he would say, and he loved her for that. He was always happy to see her, and I know that, because of the "twinkle" in his eyes. She was a wonderful loving person to have in your life. I'm sure she left a legacy of wonderful memories to hold & cherish, close to your heart forever.

Rest In Peace, My Dear Toni

“ I didn't know Ms. Toni for very long. I met her while delivering home bound meals for AAA. She was an amazing lady and one of the sweetest women I have ever had the pleasure of meeting. Rest in peace Ms. Toni. Sympathy and prayers for her family.

“ I'm thinking of my Aunt Toni's family right now because I know they are in pain. Even though they have known this was coming, and that Toni is no longer suffering, it doesn't make it any easier to deal with such a great loss. I remember so many wonderful times with my Aunt Toni when I was just a kid. I didn't get to spend as much time with her as an adult, but I do remember her being positive, and lighting up the world with her smile. She didn't always have a lot, and she came from a childhood that was difficult, but she didn't let that stop her. She raised a wonderful family and left a mark on this world. You were loved, continue to be loved, and won't be forgotten.

The photo I've added reminds me of the spirit of Toni, her sisters, and her mother (my grandmother). When they got together laughter shook not just the room, but the world!

“ My dear Toni, 43yrs ago you took me in your home at the age of 17, minds well say I was almost the age of your own children. All I can say I had the best years of my life. I will always say you and me have never argued or fussed at each other, we were able to talk to each other about anything.

Toni, last year you became pretty sick, but there's one thing you wanted to do, and that was to have all your children and all your grandchildren, my family, and all of our sisters n brother to go on a trip to Mt. Pettie Jean, well we ended up with a lot of family, I'm sorry that our sisters Tammy, Teresa, n our bother couldn't make it. We got to see family members that we hadn't seen in years. Toni I had the time of my life, n we have talked about this trip several times together, just you n me. Then a couple weeks ago you called me again n said Marilyn I want you to pack a couple clothes n go on a surprise trip with me n Troy, oh my golly here we are back to the mountains again, what a wonderful time us three had. Will never forget this. Toni I'm gonna end this by letting you know that you were the best mother to your 4 children n you loved those grandkids so much, you were always bragging about them, and as for me, my 5 children loved you so much, n all my grand kids thought the world of you.

Toni my sister, you suffered for a while but now your in peace n free of that pain, your never gonna leave my side, I'll be with you one day. You know how much I love ANGELS, N YOU"LL ALWAYS BE ONE OF MY FAVORITE, I LOVE YOU SIS WITH ALL MY HEART, BUT NOW I WANT YOU TO ENJOY YOUR JOURNEY. HAVE PEACE MY SISTER, MY BEST FRIEND.
LOVE UR SISTER, MARILYN BEASLEY
