“ I can always judge how close I am to a child when I know their middle name. I can hear Jennifer now calling out to Ashlynn- using her middle name. Ashlynn knew it was serious then!!! Unless it was the 1000 times Jennifer was laughing at something Ashlynn had said or done. Kenny and Jennifer were fantastic parents to her and she knew it too. I will miss her on Tuesday and Wednesday nights especially!! If you saw Ashlynn- you would see at least three to four girls behind her. Beautiful Beautiful Ashlynn

“ There are no words to express the sorrow I feel for all of you in the loss of your beautiful Ashlyn. I pray you find some comfort in knowing that she is enjoying the glory of Heaven and is the very presence of Jesus Christ. God chose to protect her from future trials and heartaches of this life, and we just have to trust His will, although I know it is hard. My sincere love and constant prayers are with your family.
