“ Condolences to the family. A cherished and sweet soul you were, my dear. Had many camping and fishing memories with you and the family. You spread your love around like a beacon of light! You will be missed terribly by your family and friends but I know you are now visiting with the Savior. We will visit with you soon.....The Dails and Daniels

“ Betty was a blessing to me. She always has a smile, she and Frank knew how to love people well! I had the honor and privilege of knowing them, they always treated me and my family with love and kindness. We should all be aiming for heaven for I know he called another angle home! Love you Betty and the Meeks family!
