“ On 09 October 2014 I left the Redneck Rendezvous motorcycle ride in Chattanooga, TN to make a 400 mile detour to Walnut Ridge, AR TIMDT's Mom, Dad, sister Peggy, and nephew Alex. I slabbed up to Nashville, rode to Jackson and veered to the northwest to Dyersburg, west of which is a new bridge over the Mississippi. From the other side of the bridge, I rode US 412 across the tiny Missouri panhandle, into Arkansas and directly to my in-laws' home in Imboden.

On arrival at Mom and Dad's home in Imboden, AR, I saw Mom and Alex. Mom said that Dad had been put in hospice care that very day. Before going to the Walnut Ridge care center to see Dad, I visited for a few minutes with sister-in-law, Peggy next door.

Dad, a WWII vet, has been failing fast... and I suspected that this would be the last time I would be able to see him.

Bill may have shown a sliver of responsiveness to my visit, but in the main, he was not responsive.

Notwithstanding, we had a one way conversation... we talked about the great Thanksgiving we had in McLean, VA at our home in 1986... attended by most of Margaret's siblings. We talked about the fun we had shooting squirrels and then cooking and eating them after a hunt in northwestern CT back in the late 70's. I reminded Bill that TIMDT had his shooting medals... medals that signaled Bill, as lead member of the Air Force rifle team, as one of the best marksmen in America. I asked Bill if he still wore the BGD buckle TIMDT had made for him in the Philippines. Bill didn't respond.. and that was OK... it was a good conversation.

“ *Alma....We will always remember your little family. What a blessing it was for us to have shared a friendship with you. We will keep you in our prayers. Thank heavens for the knowledge of the gospel in our lives. What a comfort that knowledge can be at times like these. Please take care of yourself.*

We wished we could have come. Larry had a gallbladder attack on Monday evening and isn't feeling the best. We are awaiting surgery in the near future.
