“ Thank you Bob for modeling what a "Good Man" acts like. Thank you for being such a great caregiver to my mother. I never heard you complain you just did what you had to do. Bob reminds me to: Work Hard and treat people with respect and help anybody you can or at least get their car running right. Love you, sir. Mike

“ So sorry to hear about Bob's passing. He always was very good to us. We will never forget how he took care of our Mom. I will always remember the days I spent going to garage sales with him. I'd tell to get in and hang on. No stopping til the garage sales were over. We would go to Huntsville Flea market and set up. He was a big help to me. He worked with me at the Pawn Shop in Siloam. I have a lot of good memories of him. We loved him very much.
GOD BLESS YOU ALL at this time.
