“ *Bobby drove our school bus here at Light and Fontaine, and because everyone respected him we had a peaceful bus. And, who knew his son would wind up being my doctor. He was sweet natured, a friend, and took good care of his family. This area lost a good man.*

Bobby was like our little brother, even though he was our cousin. We loved him and stayed close to him all of our lives. We shared many laughs, tears, life memories, and good food with him. He will surely be missed.
