“ My thoughts and prayers with Bonnie's family. She was a caring, loving lady who I have known for many years. Loved her family and proud of all of them. She loved life and shared that love in many ways throughout her life.

“ Bonnie hired me as a Preschool Teacher when I had almost lost all hope of finding a job. I learned so much from her about various aspects involved in Early Childhood Education. She believed in me when I needed it most; this is something I will never forget about her and will always be grateful for her welcoming me with open arms. A year later, I had the privilege of teaching her granddaughter and meeting more of Bonnie's family. The family brought a certain light to my classroom, just like Bonnie always had. Bonnie will never be forgotten. She has positively impacted the lives of so many people.

“ Our families went to church at Main Street for a long time. I remember when the kids were so young and never imagined our children would marry. Jessica always was drawn to your kindness and love of children. I loved sitting in church where I could hear Bonnie sing. We are going to miss her beautiful singing, but heaven has gained one more angelic voice to the choir worshipping our Lord.

“ I met Bonnie as she started her journey in the field of educating children. She worked right across the hall and although she was preschool and I was kindergarten she always came to me with question and for advice. We both taught each other so much, both in our professional life and personal life. Loved that lady and feel so blessed she has no more worries or suffering.

“ I met Bonnie when I worked as an SLP at the Walnut Ridge Preschool. She welcomed me with open arms and treated me as if we had known each other all our lives! She was kind, warm, generous, thoughtful, and always ready to lend a sympathetic ear when I needed to vent or just talk about life in general. I will miss her smile and her laugh. I will miss HER!

“ Bonnie, I hope you knew HOW MUCH you was loved by SOO MANY ! I cry for your family, your children b/c I KNOW how their hearts are hurting for their mom. I still cries for my mom. She's been in Heaven little over 2 years, NOW you get to hang out with her and my son and so many others that live there. Tell Our Lord to send "warm fuzzies," to your family, they make us feel you & smile. Just a few more days and we will all be together, forever ! HUGS, sweet friend.

“ *Mrs. Bonnie was such a hard working lady. I'll always remember how much the kids would love her doing songs and finger plays with them when she would visit the center.*
