“ I met Bonnie about 3 years ago through Shelly and Rusty. She was a Wellness Advocate on my doTERRA Natural Health and Wellness team. Bonnie and I clicked right away! She was so much fun to be around and made me laugh every time I was with her. What a beautiful and free spirit she had! A great example of tenacity and faith, she was always positive and lived her life to the fullest. Her spunky personality was contagious and I just loved spending time with her! I will miss "Bon-Bon" terribly, but I have some very good memories of her to make me smile each time she crosses my mind. I know she is in heaven and that I'll see her again one day. I was extremely blessed to have her in my life even though it was for too short a time. Until we meet again Bonnie... See ya!

“ *Bonnie was a neighbor and friend. She raised two children on her own, and worked very hard. She fought a brave battle, and is now at peace. My heart and prayers are with Rusty and Lachey and the rest of her family.*

I'm very saddened and shocked to learn of Bonnie's passing. We were friends and co-workers in the late '60s. I feel very blessed to have known her and experience the wonderful person was. You all will be in my prayers and thoughts.
