“ *We were so sorry to hear of the passing of Bud. We have been friends since we lived in Rockford. We would visit him when we came to Okean to visit our relative. And he would stop in and visit us in Rockford when he came up to buy cars. He was so proud of all of you. I know that his passing left a huge hole in your hearts. Now he is finally able to be with Hazel again in heaven. God Bless all you*

“ I am so sorry and sad for the loss. Bud was a fine man. He an Hazel both. Remember when he help me with buying a good use car back in the 90s at Hoxie car lot.. When my son had a wreck an I was making a lot of trips to LR. He help me pick it out an made sure it was in good shape , told me if I had any problems to bring it back an it would be fixed.. Everytime I'd go in to make a payment, he n Hazel would go to talking about yester years. How he knew me pretty much all my life , when they lived at white oak an daddy n mommy lived down from them. Both were great people. My prayers go out to the rest of the family .
