“ The biggest memory we have of mom is when our kids were little. We could be outside. Doing anything our mom scream out the door at us. We come running in thinking something was wrong. It was they had snot running down their nose. She would gladly change a nasty diaper but would never wipe a nose. She was sit in her ways but she truely. Loved her family. I miss you mom. Take care of Joe and racheal and tell my sister Linda hi big hug and kiss to each of them love u mom.....
