“ I'm so sorry for your loss. I just found out about his passing today, 4/8/25. I remember when I was a child (80s) going into the grocery store and asking about his muscles, and him telling me about them. And him telling me how to get them. I'll say a prayer for you and your family. Cynthia (Moore) Enos

“ So sorry for the loss of your loved one! I just want the family to know that you are in my prayers. May God put his comforting arms around you all during these very difficult times, and may you find peace in a fond memory of Dirk that brings a smile to your face and comfort to your heart.

He was someone I always enjoyed talking with, because he had a way about him to let you know that he cared.
