“Cloyce introduced me to Rockford IL, when I was a youngster and left Clover Bend to head north. My car made it their but Cloyce had to do some repairs to keep it going until I found a job. RIP Cloyce.

“ My prayers are with Cloyce's family, and friends. He was a good, good man, and will be missed by so many. Have so many great memories of fun times with him...when we were in the same circle of friends, going to the river water skiing, cruising town, and just chatting over a cup of coffee at the Wagon Wheel, back in the good ole days before we all settled down. I'm glad I had the chance to see him, and have one last cup awhile back when I caught up with him at Old Hickory. I'll always remember Cloyce, as one of the nicest people, I had the opportunity to enjoy part of this life on earth with. RIP ole friend, not a doubt in my mind, you're home with Jesus!
