“Darrell married my cousin when I was just a kid! I have always thought they were the neatest couple. Darrell was very ambitious as well as a hard worker. He had a very successful life in so many ways. He had a beautiful and loving family, a successful farm, and was a faithful church man. I have no bad memories of Darrell!! I will miss his fantastic smile and kind ways. May God richly bless his family. We will see you in the morning, dear Christian brother.

“ I have so many memories of The Brady Bunch. There are just too many. But one of my favorite memories is when I was pregnant with Richard and driving to a doc appointment in our blue van. I had to pull over at Sedgwick. Unfortunately, I had a flat tire. I was quite scared, especially when someone pulled in behind me. He opened the car door and it was Darrell. I was so relieved to see his smiling face and the worry left me immediately. He changed the tire and sent me on my way. I'm usually not easy to scare, but I was so very pregnant. His legend is tremendous. Just look at his wonderful children. Dick always commented to me how fond he was of Darrell. His legend will live on in his wonderful children and grandchildren and his lovely, kind, sweet Ricca!!!!!! Sending hugs and prayers!!! Love-Jane and Aaron

“ To all the family! To know your loved one Darrell, was a blessing to me & my wife and family, for he was the type of Christian man and dad, husband, grandpa, uncle, sibling and friend, that could lead by example and did! He will be greatly missed by all that had the opportunity of his path crossing with theirs. Just know that I'm praying for you all in the days ahead of these very difficult times! We sure lost a great man on this old earth, but heaven sure gained a good and faithful servant! Thanks for what Jesus done on the cross, we will have the opportunity to see him again some great day!
