“ I remember when mom brought you home from hospital. I would dress you up on Sundays you and Judy and Tami and grandma and grandpa luther would pick us up for church. You were such a beautiful baby. I love you so much and I still do I'm going to really miss you. I'm so sorry you had to leave us at such a young age. But God had better plans for you. And you are with mom and dad and your son. You have your beautiful wings now. And you can get all the water you want now. I'm so sorry we didn't give it when you wanted it. I love you and miss you.

“ My dearest beautiful sister, this is the saddest I've been in a very long time, my heart hurts and is so heavy, life is sure gonna be dull and boring without you in it. you was an amazing sister.. Lol I remember vividly we lived in the park in California in that camper truck and you was swinging me upside down by my feet, and you dropped me on my head and it squashed in and that's all I remember, when I woke up my fingers and toes was tingling and you was standing over me cracking up laughing, and I thought well why is she laughing, lol I guess that explains why I'm not all there. lol I miss you my sister so much, your wisdom, your courage, your strength. just you I'm gonna miss just you... May you be at the most peace my best friend. ill always love you.

“ Ga Lee how I'm gonna miss u. I remember being so mad at u for letting Haley taste that vodka but now it's a tradition u had. U always initiated every kid lol. And then that one time that I wanted to leave when I was about 12 and go to tosha's and u wouldn't let me so I got smart mouth with u and u slapped the crappie out of me. I really did deserve it. Lol. BTW I called u a bitch when u left the room. Haha lol. But I told u that not long before u left this terrible world. That's what helps me is knowing that u aren't in pain and u r at peace with ur son , grandma and grandpa, Alauna, and my precious daddy. Tell him hello for me and that I need a sign from him. I will always cherish the memories we had. I love u. Fly high my beauty
