“ *Condolences to Don's family. We were 1st cousins & the last time I saw Don was at a Nicholas family reunion in Missouri. He had brought Uncle Jack to the gathering. When Uncle Jack was ready to go home, Don wasn't ready to leave. Aunt Wanda told Uncle Jack that Don was not finished talking! LOL*

“ To the family of Don, I just want you all to know how deeply saddened I am to hear of this great man's passing! I've known him since about 1963. The service station in Hoxie, I believe it was called "American", was the first business I remember him opening. My brother Charlie worked there for him for a while, and I never met a kinder man with a more compassionate personality! It was a pleasure just to talk to him from time to time when our paths of life would cross! He never missed an opportunity or was never too busy to let you know he cared about you! He had a smile that will stay with anyone who ever knew him! Family I'll be praying for you all during these very difficult times, that God will put His comforting arms around you. What a Legacy Don has left for everyone to think upon! This old world is a better place, because of the way he lived his life in it!

Rest in Peace Don
Until we meet again
