“ Ms. Doris was a wonderful person that I had the privilege to meet and learn to know. She was the type of woman who automatically became family. Anytime you walked through the door she put a smile on your face. She gave me much needed advice and was always there with an open ear for me. I will forever hear her singing to me. It was so easy to love her and be loved by her. She will forever be missed. I love you Ms. Doris

*Guardian Angels all around , may they help hold the family up. Jesus I pray comfort for Mrs Doris Phillips family. She raised awesome caring children. Pam Phillips Williams is such a special caring person. Her Mom raised her right. It's so hard to find the right word at times like this. Mrs Phillips at her last breath was in the present of Jesus. Enjoy Heaven and your amazing family reunion. 🌹
