“ One thing I will always remember was her sweet smile I never seen her without it. She was an awesome lady and one thing about a person that lived the life she did you know where she is today, shouting on the hills of glory Sis Simmons when you see Mom give her a big hug from me .

To her family you are in our prayes because I know it is hard to loose Momma.

“ *I am a CNA who cared for mrs Simmons..What a lady...I enjoyed every minute with her. I will never forget her, she made an impression on my life. My desire is to be just half the good christian woman she was. Mrs Simmons would get a whirlpool 2X a week and she and i would have church in that room, I know people walking in the halls had to hear us, but we didnt care, she and i would sing praises to God,. it was amazing. rest in peace sweet lady.you will be missed by many..*

“ I don't have the words to express the love and appreciation I have for Sis. Simmons. I was accepted like a daughter in their home when in my teens my family started to the church this family attended and I became close friends with her daughters. She was a wonderful Christian mother and wife. She will be greatly missed, but she is resting in Jesus and I hope this will comfort her family.
