“ *It's been almost been three years since I have seen this beautiful baby's face. Day by day I miss her more each day. I love her so much. Now she is flying high with both of my Grandmothers. I know that I will see her again when I enter the beautiful, shiny, Golden Gates of Heaven. When I get there, I cannot wait till I get to see her beautiful face once again. I've been missing her a lot lately. It eats me up knowing that I didn't get to see her during her last days on Earth, but I know that she knows that I love her dearly. Fly high Ember Christine!*
