“ *Danny was the sweetest person, always had a smile and cracking jokes. My husband use to drive for him and I would go on truck with him. When we would come home he was always cracking jokes. It was so sad to hear of his passing, he will really be missed by so many. My condolences go out to the family.*

“ *Danny had the greatest smile. Our family vacation was to spend two weeks in July with our Arkansas cousins. We would come from Michigan to Clover Bend and what a great time! Danny always made sure we enjoyed ourselves. I think he was only about 13 when he began driving (speeding) the roads near their farm. Taking us to Terrytown for a soda or driving to the Portia Carnival for 4th of July. He even took me to school with him and introduced me to his friends. A great guy. He will be missed. Rest In Peace Danny. Love ya cuz, Marie. ❤️*

“ *Danny was more than a neighbor to our family. He was family. We loved to sit and listen to his stories and words of wisdom. Rest In Peace, Hackey. We love you.*
