“ *To the family of freddie pickney.
In 1946 or 1947 my late brother neil parrish traded a portable radio
for a 1938 acoustic
martin guitar model 0018 which freddie purchased in 1941,in
missouri i beleive.
I am 82 years old and still have that guitar and still play it all the
time. I saw freddies obit
in the TD and thought i would share this bit of history with you as i
remember it.*
