Gary,

*I miss you so very much, this is so hard to believe for everyone. Everyday I came over to the house, I always looked forward to it bc of the way U and I would just pick on each other. You were a great person that everyone loved so dearly (we still do)...U mean everything to my boys,especially Colten! That lil guy talks about U all the time some are smiles and most are tears!! U are truely missed big guy...when I see your boys I so see you...it just breaks my heart bc its not fair for them to have to grow up without U. We all know U are watching over us everyday but its not the same as having U here with us as much as we would love that...The Swartz family loves and misses U so dearly...til next time my friend..Solong!!
GONE BUT NEVER FORGOTTEN!!*

“ *My most wonderful memory is of taken care of him, playing in the floor, given him piggy back rides and watching him hide in the kitchen cabinets trying to hide just to see if i would climb in after him, and as i open the cabinet door he would jump out the other door and scream. I miss him so very much, then there was a time when I was driving, I took Gary Wayne and his brother Blake out for a ride, They had the best time and so did I just being a part of their lives. Our lives went different ways, but they will always be my special boys.*

*Gray Wayne, you are loved and deeply missed Angel. I will never forget your love, laughter, and joy that you shared them with me.
Love you*

“ My best memories of my husband are the day we met, we both acted so shy and it seems weird now because we were so close and loved each other so deeply. The day we got married was one of the best days of both of our lives, and of course the day we found out we were pregnant with Talen, we were hitting it so rough at the time but he was happy, he just had to buy flowers and balloons. lol. The day Talen was born you could just see nothing but happiness in his eyes. And of course Chase was his baby boy. Lucky was Gary's first born and meant the world to Gary. Gary was and forever will be a Great husband and Wonderful Daddy!. Gary we love and miss you so much baby, and forever you will stay in my heart. I know you are still with us and always will be. You were my ROCK and are now my ANGEL! You are gone but never forgotten, forever and always you will stay in my heart. WE LOVE and MISS you so much. I promise I will tell our boys you love them everyday. They love you so much.

Love Always,

You Wife,
Tiffany Liscomb

“ To my dear cousin Gary Wayne....I remember when you were born...I told ur mom and dad that I wasn't gonna like you Bc before you...I went everywhere with them. After we grew up together...we always rode our bikes with Blake (which btw u informed me when he was born I couldnt like him as much as you) we jumped off dirt mounds...you name it! You got car sick as a child and threw up all over me and Blake one day that made us all three start hurling...lol our poor parents didnt know what to do.....As we grew into adulthood life took us in different directions but I never stopped loving you or ask about you when I talked to Aunt Mary...hold things down up there for me...give Grandma Frazier a big hug! When I get there I hope u meet me at the gate to give me the scoop on heaven.. love Forever...Manda

“ I remember when you spent Christmas at my house. You were so quiet.....until they broke out the PS3. Then there ya go fitting in with the boys and yall competing over that game. I think it took like 3 people to finally beat you and get the controller away lol. You will be missed and never forgotten. God rest your soul!
