“ I found an envelope this week where Georgia had sent me a letter sometime in the past ten years. It did not have a date on it. I have tried to locate her & just found out that she is in heaven. She was a very special person to my grandmother Hazel Kell DePriest, my mother Marian De Priest Ring Hickman Dalton & also to me. I am so sorry we lost contact with each other

“ I am so sorry to hear of Georgia's passing. I really did not know her but remember when I was a little girl they lived in Black Rock. My Grandfather was Rufus Tandy Kell and Georgia's Mother, Addie, was his sister. My dad was Henry Leo Kell. I have been on the Kell ancestry site and appreciate Kathy's input about our family. May God Comfort you all as only He can.
