“ *To the family of Gladys Ingram,*

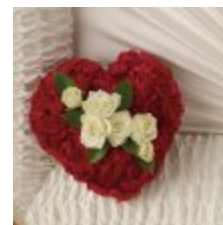

I have been so blessed to have known Gladys. I enjoyed her company so much. Her pew has been empty at Greensboro Road church of Christ and I will always think of her sitting there. She was confident in her salvation and I pray that your family can take comfort in that assurance. My prayers will continue for each of you as your journey in mourning for your mother continues.

“ Love and prayers to Jamae Cole & her family. Never knew your grandmother but if she was anything like you, she was a very special loving woman. May your memories of her sustain you in your time of sorrow.

Love always,

“ I will always love you grandma. You always made the holidays fun for us when we were growing up. I miss those days where you had a houseful of what seemed like 30-50 relatives all at the same time.
