“ I met Gordon in Oklahoma and we became fast friends. He had an amazing sense of humor and we laughed...a lot, especially if his friends were with him. He was one of the last people to meet my mom before she passed away and she adored Gordon. My heart hurts for his family and friends. May we all find some peace and continue to carry him in our hearts.

“ *Lots of memories, lots of laughs, Gordie was full of it 95% of the time, but he had a damn good heart deep down, I had the opportunity to talk with him and heard him tell a few of his many stories of life's experiences . I will truly miss you Gordie, still can't believe you are gone. Go easy on 'em up there, Bub... Until we meet again*

“ We ran the streets together when we were little and then the hills when we got older. We didn't always see eye to eye and we butted heads a lot but that is how we knew we loved one another... otherwise none of the stuff would have mattered. Sure going to miss you. I love you Gordon...reast easy until we meet again.
