“ *The last time I saw Herschel was the summer after his Mom's passing. After visiting with Grandma & Grandpa Cooper in Mammoth, Herschel and his Dad followed us back to Louisiana and stayed with us a few days. Herschel was a precious little boy, about four year old. Stay strong Timmy, you're in our prayers.*

“ *We first met Herschel shortly after moving to Imboden and he quickly became a great friend of our family. Herschel was the kindest and most genuine person one would ever meet. Herschel loved life, his friends, and most important was the love he had for Bub and Amanda. If everyone who knew Herschel would take a few of his good qualities and apply them to their life, the world would be a much better place. We love you Herschel and you will be greatly missed but never forgotten. Our thoughts and prayers are with you Bub and Amanda.*

“ *I remember the smiles, and the grinning with his hands clasped together rubbing back and forth in front of him. I saw this last week at the donut store in Pocahontas. It was good to see Herschel again and it brought back so many memories. We all can remember the good times and good things in our past lives, especially because we were young and long for that time again...maybe. But let us not forget those who we are around now, family, friends all loved ones...continued prayers and thoughts for the Davis family.*
