“ *Ina was special to me and my family. She made the effort to communicate through the years, so that made her a link to my father's family. She passed on family history to my children and that, too, endeared her to us. We loved to visit with her whenever we could make the trip to Arkansas.*

“ *As kids, my sisters and I always loved to visit with Uncle Glenn and Aunt Ina. That remained true even with our last visit with her in her home. She was always vivacious and made the happenings around her interesting, whether it was about friends, relatives, flora or fauna; could play the piano and sing with the best of them! She was "frontier" self sufficient and independent. A wonderful woman. Go with God, Aunt Ina.*

Much Love,

“ *MY AUNT WAS ALWAYS FULL OF LIFE AND ENERGY. SHE WAS A PERSON WHO COULD THINGS DONE. I KNEW HER MORE IN MY CHILDHOOD DAYS, AND I REMEMBER HER KINDNESS TO EVERYONE. SEVERAL YEARS AGO I HAD THE OPPORTUNITY TO VISIT WITH HER. SHE WAS STILL THE SAME; FULL OF LIFE AND SMILE ON HER FACE. SHE WAS A BLESSING!*

“ *Ina always enjoyed having us come visit her. When we visited her in the nursing home sometimes we took her special stuff to eat. One time we took her one of her favorites...fried catfish. As much as she liked that she liked to talk more and let it get cold before she ate it. Rest in peace, Ina. Love, Blaine and Dee*
