“ *To Sandra and her family,*

Mr. Binkley was my best friend's father and my first boss. He hire Sandy and I to clean Naval Housing offices and homes. We worked hard, but also had lots of fun earning money in high school. I will always be grateful to him for giving me my first job. I spent the night, walked to school, went to church, and attended many events with Sandy and her family. I'm so happy that we moved in around the corner from them.

My husband, Norm, and I wish to extend our sympathy and love to his family for their loss.

*Sincerely,
Norman and Sally Diggs*
