“ I remember giving Janie a ride from Jonesboro to her house about a year ago. She asked me, can we have a jam session. Janies karaoke club was the name. Janie wasn't feeling well. All she wanted to do was listen to music loud and sing even louder. She knew how to make someone come out of there shell for sure. Everytime I listen to music and sing loud I smile and think of Janie. Even on bad days Janie always made the best of it. She was an awesome mom she loved liked no other person I have ever met. She will be missed. Prayers for all the family during this time and days to come. Rip Janie it's time you have a jam session with the angels.
