“ *Tanner & the Bassett family,
We are heartbroken to just learn of Jerry's passing from this temporary world. We are so BLeSSeD that Jerry was placed in our lives over 45 years ago. He was a GOD-send to our family more times than we can count, especially when we were experiencing major health issues! He loved his family BIG and was so proud of each of you! We truly enjoyed our visits where he would give us updates on his special son and those precious granddaughters. Eventually we would talk about the Razorbacks and politics but family was always first! Jerry will be missed by many and will hold a special place in our hearts forever!! May GOD give you peace and comfort beyond human understanding during this time of loss!
Love and Prayers,

“ *Jerry & I met through our mutual love of the Razorbacks in about 1998. He became one of my dearest friends. We spoke on the phone many times a year--usually just before or after a big Razorback game or event. In person visits were too few & far between but we loved getting together. I will miss him terribly. See you in heaven, dear friend. Chip Baker*

“Dud and I were very good friends throughout college. Through the years we have mainly kept up with each other via phone calls, emails, and text messages.

I will never forget the great times we had as Fraternity Brothers and the memories we built.

I am sorry for the loss of Dudley - He will be missed by everyone that knew him.

“Tanner and family, Jerry was a friend and advisor to our family since the mid 80's which has been more than 30 years. We had just spoken with him right before he was looking forward to being with you all for Christmas. He shared with us at that time that "family is what it is all about". He will be terribly missed by us and we are thinking of you all thru this terrible time of loss. Blessings to your beautiful family that he loved and cherished so much. David and Robin Yates

“I work at Dixie Gin in Trumann. Jerry has been the accountant there ever since I started work there in 1990. He was a great guy. Always helpful if I had an accounting problem or helped me to know how to post to computer correctly. Always looked forward to his visit to the office to look over the accounts. Enjoyed visiting with him. He loved his family and was always giving the latest news about his granddaughters. Thankful for the pleasant memories . Jerry's family are in my thoughts and prayers.

I have fond memories of Dud in our 1968 graduating class. He was a handsome, intelligent, talented guy who certainly was a well like leader of our class. I'm sorry for your loss.

My heart aches thinking of your loss, Tanner, and for the memories your dad and I shared. Your dad was a wonderful friend and loved by many. I looked forward to him sending me pictures of you and your family, birthday greetings, Razorback rants and political jokes,. His presence will be missed by many. May God provide you comfort and strength during this most difficult time.
