“ *Linda, I read about Jim's passing today and I am so sorry for your loss. I came by your house on a business trip before I retired and visited with Jim. He came out in the driveway to the car and I held out my hand to shake his, but instead, he gave me a big hug, which was a better expression of the meaning of our friendship. That evening I told my wife about it and how special our "chance" meeting meant to me. Jim is gone ...but not forgotten.
