“ *Jim is my cousin and it breaks my heart to know he is no longer with us. My family & myself would go up to his and Irene's house to fish. We started to take my children up there when my son was in elementary and he is now 17yrs old. We were up there fishing just a couple of weeks back. Jim will surely be missed. We as a family love him dearly. We will miss you Jim but you will always remain in our hearts. You were such a great man to be around. I love you Jim.*

To the family of Jimmy, I'm so sorry about his passing. I just now accidentally discovered his obituary and was so saddened. I went to school with him at Egypt, for many years and have nothing but good thoughts and memories of him. I remember him as being very shy and was a very sweet guy. My thoughts and prayers are with you all. Oleta Arnold
