“When I leveled land Joe and Joe Bryan hired us to help them on a field they were working on. We had 6 tractors. We were working by the hour. At the end of the job, I handed Joe an invoice. He looked at it and looked at me and said “are you sure this is right?” I thought “oh no, here we go, another customer that thinks we are too high”. I said, “yes sir I believe it’s pretty close.” He said, “I had you figured higher than this!!” He said, “y’all were stuck a lot”. I said “we didn’t charge you for all that time we were stuck”. And here is when I knew what kind of man Joe Richardson was. He said, “I’ve known your parents a long long time. I knew they are good and fair people. I guess it’s true what they say. The apple doesn’t fall far from the tree.” I thanked him and let him know that was one of the best compliments I had ever received.

Later in my career I sold he and Joe Bryan farm equipment. I always felt it was an honor that they supported me in anything I was doing.

You were a good one Mr Joe. You have raised a son and now his sons into the kind of men you inspired them to be. Thank you for trusting me and letting me get to know you over the years.

We will miss Joe at St. Bernards Village. He was so funny telling all his stories about his life. At one time one of his teachers lived here too. She would always say Joe was a good boy. Everyone knew Joe and loved his stories about farming. I never heard a bad thing about him except we would tease him about sitting up and sleeping. Always loved fun and very friendly with residents. Proud of his family and his lifetime of farming. Love u Joe and thanks for the memories ❤️🙏

Mr. Richardson was a good family friend. I always enjoyed eating lunch with him and my parents. He drew a beautiful portrait of my Dad that I will cherish forever.

When I found Joe's obituary I was stunned. Joe was my Fathers cousin and they were both Born in 1931. My Dad Roy W Richardson March 2, 1931 and Joe in October. As I understood they were best friends growing up. While this condolence is very late it is from the heart. As a Child I used to ride on the tractor with Uncle Joe before his passing. He even showed me where he kept his water hidden as he saw I was thirsty. Again I am so sorry for this Great Loss. May God continue to comfort Cousin Joe's entire Family.
