“ When I think of Joe Kopp, I think of softball and one of the happiest times of my childhood. He would always say, "patience, Grasshopper," when we would have difficulty hitting a high arch pitch. I'll cherish the memories of his laugh, his sense of humor, his cowboy hat, and his softball wisdom he shared with all of us girls.
God bless you, Kopp Family--you're our thoughts and prayers.

“ Don't know where to start. Joe and I were co-workers and friends. We endured a lot together working for the power company. You develop a special bond with someone you "pole-buddy" with. (we used to climb poles daily back in our day).

When you are 60' up a pole in a thunderstorm getting the lights back on you learn a lot about yourself and MORE about the other person.

Joe was my neighbor for many years too! He always offered help when I needed it and he always had time to listen to my concerns about family and work.

We laughed, cried and shared a lot during those tough years. He was a good man!

He was a hard worker who always brought a little extra flair to lighten the drudgery of the work day.

I will never forget Joe Kopp...He WAS a character! and I mean that in a very good way!

Most important, He knew his Maker, and made reference to the day when he would meet the Father on a regular basis. We will meet again, and the new order of things will be much, much better!

Goodbye for now ole Buddy! RJ

“ It's hard to say good-bye to a life long friend. I can't remember not having Joe in my life and he will always remain in my heart. Many memories from birthday parties to dances at Cathloic Hall, high school days, class reunions and trips made back home with visits to see Joe and Pam. He will be missed in so many ways but he will never be forgotton. Be at rest now dear friend, you have earned it .
