“Mr. Phillips was my next door neighbor in Great Falls, MT way back in the 60s. He and his wife "Critter" were such good friends to my parents. He was my dad's fishing buddy and probably one of his very best friends ever. They visited each other in the years before my mom passed in 1984. My dad always talked about him fondly.

He was such a nice man, and I never wanted to go to the dentist to have my teeth pulled, I wanted Mr. Phillips to do it. He would put me in that rocking chair, talk my ear off, and like magic, the tooth was gone.

He always seemed to be in a good mood and I never saw him have a cross word with anyone.

I am so sad that he's gone.

I know I'm late but I wanted to Mrs Phillips, Julie, and Jeff to let them know I am thinking about them and sending them love.

Sincerely,

Karen Hartley
