“ To all of Kathryn's family
It is hard to find words to express how special someone is in our lives, and Kathryn is one of those people. Her laugh was special, her sense of humor was special, her love of family and life was special. She is the mother, grandmother and great grandmother of some very special people who reflect parts of her in their lives. She was a precious person that graced this world with so many blessings. i am so sorry for her loss. You are all in my thoughts and prayers with love always.

“ So, sorry to hear about Kathryn, I will always remember the fun times I had at your house. One memory was the shock of having a fried egg sandwich that your Mom made me and then I was hooked on them. Blessings to all of you. Willette Thomas (Recker)
