Lanny was very caring person and dedicated to his family. I wasn't much of a hunter but he tried to teach me, we did fish, play ball, and bowl together. We were very completitive. Those were good times. He and J tried to convert me to farming but that didn't work.

He will surely be missed and loved by all. I am sure his Mother and Father will welcome him with open arms.

As the U.S. Navy says: "Fair Winds and Following Seas".
