“ I will always have a special place in my heart for Aunt Loretta and all of you. Growing up she gave me a lot of sunshine in my unstable life. I remember her taking me and Henrietta to Mr. and Mrs. Harts cafe and we had a blast. And taking us to church every Sunday morning and night. I always looked forward to summers cause I knew I would be going to their house. And all the great food and fun we had. Like Uncle Henry sticking his finger in my mouth while I was sleeping or popping my toes and hearing Aunt Loretta telling him to leave those girls alone! There is not enough room on the page for me to list all the wonderful memories, but I know she was an Angel on earth and know a special Angel in Heaven. I will always love and miss her! <3 KK
