“ *I am very sorry to hear of the loss of Mr. Price. He was a very faithful and dedicated man to have been married for 51 years! I won't pretend to know what you're going through, but what has helped me deal with the loss of those I love is turning to the Scriptures, something that has been a real source of comfort. One Scripture that gives me hope is John 11:25, which says, "Jesus said to her: "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." I hope that this verse will also comfort you and, I hope you and your family can get through this difficult time. Please accept my condolences for the loss of your beloved husband, father and friend. Sincerely, Meryl*

“ I remember how uncle Leroy had a passion for model airplanes when he was younger. He loved to fly them high. I also remember how him and his brother (my dad) Jesse would pick on each other. I loved my uncle Leroy and even if we lost touch for many years he will always be in my mind. I'll have my memories. Love you uncle and will miss seeing you when I do make family reunions. R.I.P
