“ Dearest Angie and family, although no words can take away the sorrow you bare, I want you to know that I am praying for your peace and comfort. There are so few comforting words when we need them the most. The passing of your mother is a great loss and the road ahead is a long journey. I am so sorry. My heart aches for you and your family. Just call upon our Davior for comfort and peace in the hard days ahead. I am here for you any time. I love you Angie. Victoria Isabella Burris
