“ I remember when we were all growing up in the Gum Stump area. One time Lindell decided his sister Janet needed a hair cut. The results were so bad, poor Janet went around with lopsided hair till she could get it straightened up. We had so much fun with all the Newman family. My sympathy to all the Newman family. RIP Lindell.

“ Lindell Lesley Newman, is my baby Brother. I am remembering lots of things about him today but one particular memory still makes me smile. After Mama weaned him he took a liking for Pet Milk. Grandma Tish Newman was the only person we knew who bought the milk so everytime we went down the hill to visit her mama would warn Lindell that if he ask for Pet milk he would be in trouble. Well! after a bit he would get behind Grandmas rocker and whisper" Ma, you not got any Pet Milk", Grandma would reply" yes baby, Grandma has some Pet Milk and she got up and poured him a cup. He never did get in trouble because it was just so funny. Grandma is petting him again tonight.
