“ Tom (her brother) was telling me about the trip she took to Europe with them. He and Bea really enjoyed the time they got to spend together on that trip. He tried to keep up with her through Jean's calls to him as he can't travel any longer.

I grew to love Margaret the moment I met her. She was so kind and accepting of me when Dan and I got married. Although we hadn't seen her for a while we will miss her.
