“ *When I first found out that aunt Mary passed away I was shocked, in aww, didn't believe it! But when u left the house to go see her for the last time I started to cry but I started to smile and laugh because of some things her and I did! But I while I sitting there at the pue I looked up and one of the flowers on her casket were looking bright and bigger then the rest, after everyone left and said there goodbye I asked if I could have the flower and they said yes! I took that flower home and all the other flowers but that one have died but this one is still alive! And it's April 14*

“ Our hearts are sad for the sudden loss we feel, but we know that Mary is in her eternal home in Heaven. We are thankful for the kind words shared by so many. Mary was such a beautiful person, and a dedicated wife, mother, and grandmother. I was truly blessed to have her as a sister-in-law, and loving aunt to our children, for many years. She was always very thoughtful and willing to help others. She was a cheerful ray of sunshine in this world. We will miss her deeply and always remember her lovingly.

“ *When I started at Walmart, Mary was one of the first people that I met. When I started working at the service desk, we found out that we had a lot of things in common. Including a daughter named Kelly. Over the years we shared many things, including sharing pictures of our grandchildren with each other. Mary had a smile and an amazing attitude. I will miss that smile and my friend. Gene, Kelly and Jason, you all are in my thoughts and prayers.*

“ *Mary was a person that always had a beautiful smile on her face. I never heard her raise her voice to anyone whether it was an associate or a customer. I always got a hug from her when I went back down to visit. She was a beautiful lady. She had a heart big enough and shoulders wide enough to help everyone with. She will be greatly missed. I am so sorry for the family. My heart breaks for all of them.*

“ *I would like to share a few memories of this wonderful woman I knew as more of a sister than a friend. We met as young girls long before we were old enough to graduate ,get a job or even think of marriage and children. I was fortunate to have her by my side and share all of our dreams and plans together. Where you seen one of us you seen the other. Mary was always a caring person & dedicated to all things that came her way. We graduated school, got our first cars. The only thing we cared about the car was the radio had to work. We met our husbands and married. And soon children came along. Unfortunately, life has a way of taking us along different paths. Today, I find I wish we had kept in touch as much as when we were young and life was not nearly as serious. Mary was kind, loving, caring, fun and the one person that I knew was always there, always cared and always called me her sister, her friend. I won't say goodbye my friend but I'll see later. Until that day I'll continue to hold you in my heart as a precious memory and will always be thankful to have had you in my life. Sandy Stout*
