“ Mary Lou and Bob were our neighbors for many years, and we loved them both. Mary Lou would call to me whenever she saw me out in the yard and we'd have some long visits under the shade of that huge tree in her front yard. She was a good neighbor to have when you were raising "latchkey" kids who sometimes got locked out of the house. They knew they could go over to Mrs. Jean's and call us. She was usually watching when they got off the bus. She was one of the sweetest ladies I have ever known. We will miss her.
