“ I am deeply saddened by the loss of my dear, sweet friend, Sue. I know she has been through so much in recent years with her health. We had lots of fun and a lot of laughs through the years. I will miss her very much.

My deepest sympathy and love to all of her family.

“ I'll forever cherish the great times I spent with Aunt Poo! She taught me to dance with the door facings and even broke her toe when the porch swing broke while she was swinging with me! She certainly will be missed, but we know she is happy and well now with our precious Kevin! Kathy

“Mama Sue!!! What a dear, precious friend you were for so many years while I served as Kevin's and your social worker at the Conway Human Development Center. We laughed, cried, and supported each other thru the years as we each went thru difficult times and many more wonderful times. You had a heart of gold and never hesitated to offer your friendship or last dollar to help a friend. No matter how much you were in pain or concerned about Kevin or your family, you were always cheerful and upbeat. I can see you now in your Purple Hat!! I will never forget the Christmas when Kevin wanted a Jim Walker doll, he was always my "little buddy". You told me you were at a loss what to do since there was no such thing so you ended up getting him a Pee Wee Herman Doll!!! Thanks Sue!! we all had a great laugh and Kevin was happy too. You were a very special Lady, a Grand Lady. and I was so blessed to be a small part of yours and Kevin's life.
