“ *Connie, I'm so sorry to learn of the passing of your mom. I don't know if you remember me or not, but we were best friends in the first and probably second grade when you went to Old Walnut Ridge Grade School. We also lived down the road from your grandma and grandpa McCall near the Ponders. I have often wondered about where you were and what had gone on in your life. Feel free to contact me if you wish.
Again, my sympathy to you and the family in your mom's passing.*
