“ *I will always remember aunt Evelyn, cause mom and I would go over and spend time. While us kids would play, I just enjoyed watching mom and Evelyn having a good time*

I will always remember her fondly and with love. As a kid she was always fun to be around and I always loved her smile. She was my cousin but I always considered her a aunt. You will be missed Evelyn, love you <3. Tell other mom "Howdy ", and that I'm looking forward to the day, in heaven, when I can sit on the back porch and drink ice tea with her and look at her eagle! !

“ I remember when mom and I would go to Evelyn's, her and mom would fix each other's hair, they would set and watch their soap opera's together. I loved going over there she would give me baby dolls to play with. Her and my mom were cousins, but I have always called her aunt Evelyn. The last time I seen her was at my mother's funeral. I love you aunt Evelyn, you may be gone but you will never be forgotten. You will be very missed very much
I love you. I will miss our little chats we use to have on Facebook But you have made your journey to go through that pearly gates with God. You are no longer hurting you remember all your family now and looking down on the rest. Of the family hoping they do well with their life
