“ Aunt Joann was one of my favorites, she was beautiful inside and out, and always so joyful with a twinkle in her eyes. She always had kind things to say and loved to joke and make people laugh. Because of her strong faith, we rest in the promise that we will see her again in heaven, celebrating with family and friends that have gone on before her. She will be missed here on earth by all of us. My prayers are with the family and friends. Love to all of you. From Louann Brown, niece. Condolences from all of us from the Edward Brown Clan
