“ *Michael, such a great guy, spent a lot of my teenage years with him as well as adult, I loved being around him and his dry sense of humor. Enjoy Heaven (as I know you will) until we all meet again, you will be missed!!!!*

“ *I love you Uncle Michael!! You was always so kind. I most remember you stopping in and talking to me when I worked at the gas station in Imboden. You would always get a diet sunkist and hang out for a bit and catch up with me. You will be missed. LOVE YOU!!!*

“ He fought long and hard and finally HE WON! What we viewed as a horrible accident years ago, God used as a way of bringing a child back to Him. These years of struggle have been unthinkable hard, but they were really a sweet gift of time from God. Our hearts hurt for your loss, but rejoice that Heaven is sounding sweeter all the time. Love you all! Melba & Ronnie

“ *I remember when I was about 12 or 13 my brother and his family lived in Jonesville, LA and he had a go cart that he was fixing for his kids. He let me drive it with his oldest son Jeff as a passenger. There was a camper bus in the yard also. I gave the go-cart gas and it took off wide open. We were fast approaching the bus and my brother was yelling at me to hit the brake but even with the brake pressed all the way the go-cart wouldn't stop. I pushed Jeff sideways and laid over on him as we went under the bus and hit a ditch on the other side. Mike was as scared as we were but when he got to us and found out why I didn't stop he just hugged us and told us to stop crying, he would fix it and we could ride again. He was fearless in my eyes and my hero that day. He worked hard for his family and he loved them with all his heart. I love you brother.*
