“ My best memory of Mille is when I was in the First grade , I was really sick one day , she was in the lunch room. She came over to check on me she put her arms around me and stayed with me until my mom came and got me. I loved hanging out with her. She was so good to me. I miss her

“ *So many wonderful memories I have of spending many summer days at Millie's childhood home; but my first memory of Millie, she was a young girl with beautiful long dark curly hair singing at the top of her voice songs we would learn in bible school. I can still hear today your sweet heavenly voice.*

You did good Millie and you have a beautiful family to carry on. You will be missed.

*Always cousin love.

“ *I read somewhere “cousins are your first friends.” My childhood was enriched by spending a part of many of those summers with Millie, as well as Sherry and Diane.*

We washed our hair in the rain, we rode bikes - 2 on a bike for hours at time.

We cleaned headstones from a forgotten graveyard. We roller skated on Saturday nights and talked until all hours of what our future might hold.

Millie, I miss you already.

All my love to all the family.
